Prescription Drug Savings

This benefit makes it so easy for Members to save! It's not your typical prescription discount program offering coupons or rebates for savings. This benefit uses a premier network of pharmacies across the nation giving Members access to true prices of prescriptions at several pharmacies within the Member's area - skipping the "markups and fees!"

How it works: Members choose the best pharmacy for them - taking into account the pharmacy's location and cost of drugs - from the list of options provided within their prescription drug savings app.

To save on prescriptions, when a doctor asks for the Member's "regular" pharmacy, a Member should simply do the following:

- ✓ Open the prescription drug discount app and enter the name of the prescription drug
- ✓ Review the list displaying local pharmacies and the cost of the drug at each
- ✓ Choose the best pharmacy, taking into account the location and cost
- ✓ Access prescription history at anytime through the app

Dental Services²

Members save up to 50% on dental care expenses nationwide at any of the participating dental providers.
